FY22 ANNUAL REPORT

July 1, 2021 - June 30, 2022

A LETTER FROM OUR CEO

Dear Friends & Colleagues,

This past year was another challenging one, and especially for so many families who are expecting or have a new baby. But I am so moved by the degree our community has come together and supported NFN and the thousands of infants and families we care for all year round. Your collective generosity is something to celebrate - from volunteering, to organizing donation drives, and to the broader acts of philanthropy that fuel the work of our nonprofit. Together, you make our community a healthier, safer, and happier place to call home for all of us.

Below we've shared just one of the thousands of NFN family stories. Each story is unique to individual families needs. These stories are only possible through the kindness of YOU.

Last year, because of YOU, we were able to make 9,600+ home visits to over 2,800 babies and pregnant mothers in our community neighborhoods.

YOUR generosity IS changing lives! Thank you!

On behalf of our babies and families, and our board of directors and staff, THANK YOU for ALL of the ways you invest in our next generation!

Warmest regards,

Melinda Monroe, MA
CEO, Nurses for Newborns

FAMILY SPOTLIGHT

When NFN Registered Nurse Case Manager Karen*, visited Baby Ben* for the first time, she noticed that he wasn't cooing and babbling the way most babies do at 6 months old. She noticed he really wasn't smiling or turning his head to the sounds of his sisters playing and in fact, he spent a lot of the time crying. Karen was able to contact Baby Ben's pediatrician and schedule testing, which found that Baby Ben had hearing loss.

With Nurse Karen's help, Ben's mom was able to find a Pediatric Audiologist who fitted Ben with hearing aids. Karen also helped the family find a Speech-Language Pathologist, and three months later, Baby Ben is beginning to talk and absolutely loves giggling at his sisters as they dance and play around him. Baby Ben's mom is thrilled to see his new sense of self and happiness, but the best part, she says with a big smile...

"..... is knowing he can hear me say I Love You."

This story is only made possible through the kindness of YOU. There are thousands of babies like Ben in our community, that need help. Last year, because of YOU, we were able to make 9,600+ home visits to over 2,800 babies and pregnant mothers in our community neighborhoods. YOUR generosity IS changing lives! Thank you!

WAYS TO GET INVOLVED

DONATE

Government and foundation grants cover only a portion of our expenses at Nurses for Newborns. With the help of donations, we have been able to serve families for over 30 years. We accept donations over the phone, by mail, and through our website.

FUNDRAISERS

We are always excited when community organizations come together and raise money for babies. It is a great way for friends to gather for a purpose while having fun. Call our office if you need suggestions or guidance in setting up a fundraiser.

VOLUNTEER

Nurses for Newborns values volunteers! We need both regular and occasional volunteers in our office as well as at fundraising events.
